Bill and Andrew,

I hope all is well and that you both had a great holiday season. As you know by now, we noticed a Rule 30(b)(6) deposition for 1/13. Thinking about it this morning, I think it makes sense to ask the Court to grant a slight extension of the discovery cut-off and motion for class certification deadlines given that we're mediating on 1/24. This way we're not spending resources unnecessarily if the mediation is successful. I would propose a discovery cut-off of 2/14 (3 weeks after the mediation) and a class cert filing deadline of 3/2 (17 days after the discovery cut-off, which is the same number of days between the discovery cut-off and the class cert deadline under the existing schedule).

Let me know your thoughts.

Best,  
Pat
